

### **REMARKS**

A replacement Fig. 4 is enclosed to overcome the objection of the Examiner to the Drawings, correcting the misspelling of Execution in the original Fig. 4.

Claims 1-20 have been rewritten to overcome the objections to them because of the informalities specified in paragraph 4 of the Office Action and to overcome the objection to those claims in paragraph 5 of the Office Action.

Applicant hereby acknowledges the Examiner's Reasons for Allowance. Applicant respectfully notes that there may be additional reasons for allowance that have not been specifically cited, and which may apply to various of the allowed claims, in addition to or instead of the cited Reasons. Applicant respectfully suggests that notwithstanding the Examiner's Reasons for Allowance, it is believed that each of the allowed claims is patentable in its own right and/or for other reasons raised during the prosecution and/or explained in the specification of this application.

To the extent that any statements regarding patentability of any claims allowed by the Examiner made by the Applicant or the Examiner in any document filed in this application are inconsistent with or not included in the Examiner's Reasons for Allowance, they are incorporated by reference herein.

Please charge Deposit Account 50-1290 for any fee due not covered by an enclosed check.

Respectfully submitted,

  
Michael I. Markowitz  
Reg. No. 30,659

Enclosure: Replacement Fig. 4.
